VALUTICO

Success Story

EXPERT OPINIONS

CENDROWSKI
CORPORATE ADVISORS

> In our valuation litigation projects it's important to provide supporting documentation for every assumption. Two features of Valutico really stand out in that regard, the cost of capital breakdown via qualitative assessment, especially the WACC chart, and the 'find more like this' tool to find more peers and comparable transactions.

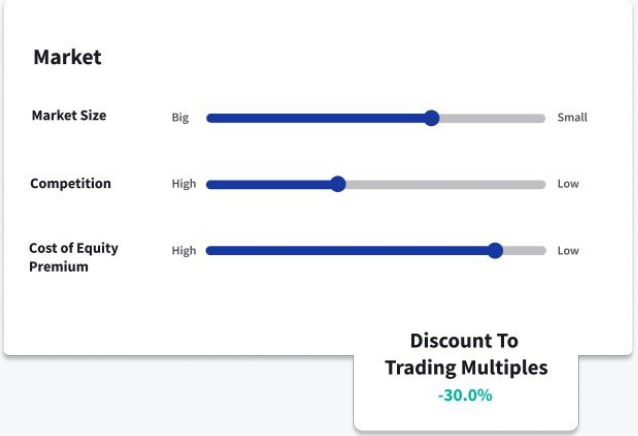
CENDROWSKI
CORPORATE ADVISORS

Cendrowski Corporate Advisors (CCA) is a Certified Public Accounting firm founded in 1983 in Michigan, with offices in Metro Detroit and Chicago. CCA's expertise is often sought beyond traditional financial services engagements and asked to provide expert testimony in a court of law.

CENDROWSKI CORPORATE ADVISORS RELY ON VALUTICO TO:

- Get good use of the **Qualitative Assessment** tool for documenting their valuation assumptions.
- The **quick access** to global database of peer companies allows them to support the robustness of their valuations.
- **Streamlines their process** as all key steps are integrated in one platform.

The qualitative assessment tool was especially helpful for CCA.



Cendrowski Corporate Advisors were able to streamline each step of their valuations.
