EXPERT OPINIONS

Valutico is speeding us up. You can get a first draft valuation extremely quickly. From there you have a starting point that's a real foundation, not just relying on comparable transactions. You have more methodologies to rely on and build upon so you get done much faster, and you get a much better valuation.

ALMI INVEST RELY ON VALUTICO TO:

The streamlined process of **documenting professional judgment** via the Qualitative Assessment tool has made a huge difference.

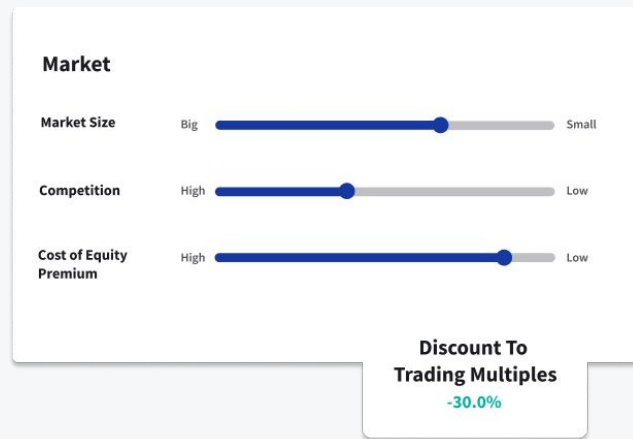

Used as an **integral part of the workflow**.

Benefit from the **integration**: database, peers data, financial planning and reporting all in one location.

The Qualitative Assessment tool allows Almi Invest to easily document decisions

The entire workflow is streamlined with all the key steps integrated

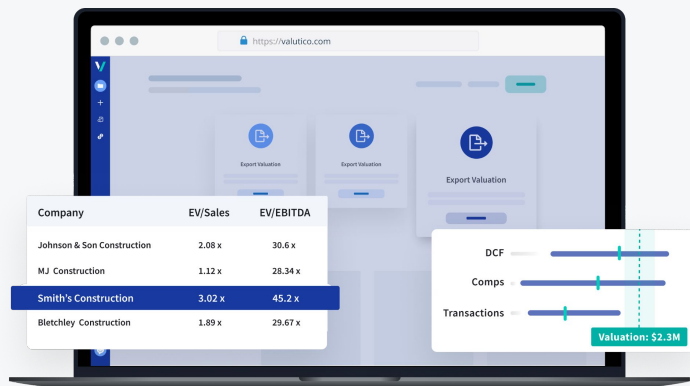

“

It's becoming a big part of my workflow already, I'd be very disappointed if I couldn't use it for even a day.
